UNUSUAL INTEREST SHOWN IN ELECTION

Democrats and Republicans Both Confident of Success at Polls.

INDIANAPOLIS, Oct. 23.—Political war horses in Indiana set back and wondered the other day when registration figures were announced. They are slightly larger than those of 1920, a presidential year. This is almost unheard of in an off year. The only explanation was the fact that the organizations devoted more of their time to registration than to the work of organization heads and dupes, however, did not worry much about an explanation. They have been active ever since the announcement making claims.

The Democrats point out that in most of the counties where decreases were shown, for there were some decreases, Harding had a majority in 1920. The Republicans parried with the fact that Harding had a plurality in most of the counties of Indiana and that in many where he had a plurality increases were shown.

Congressional campaigns are attracting perhaps more attention this year than usual. This is due to the fact that there appears to be a possibility in some districts that the election will be closer than usual.

For the first time in many years the Democrats are making extravagant claims. They are going above the line marked "Nationalism."

The Republicans will admit there is possibility of a close election and perhaps defeat, only in the third district. This is the district now represented by James Dunbar, who declined to become a candidate again.

CHANGES NAME TO GET TEACHER'S LICENSE

INDIANAPOLIS, Ind., Oct. 23.—A desire to become a teacher without passing a teacher's examination to obtain a state license landed Elmer Clayton, age 25, giving his address as Union, Ind., in the city prison on a charge of vagrancy. Detectives Stewart and Gough said Clayton obtained a teacher's license issued to his brother, Roy J. Clayton, and erased his brother's name, substituting his own.

After signing his name to the license, Clayton, the detectives say, went to a local firm of commercial artists and, it is said, offered them any amount of money they would ask to use a process on the license to disguise his work on it. The firm notified the police and the arrest followed. The detectives are holding Clayton under bond, pending an investigation.

POSES AS INSANE TO GET HIS BOARD

E. J. Toner Ordered to Leave Elkhart After Playing "Possum" at Jail.

ELKHART, Ind., Oct. 23.—E. J. Toner, the supposed demented man who was picked up several weeks ago near the Big Four crossing on East Jackson Boulevard and who has been cared for at the police station since that time, was found to be playing "possum" in order to secure free board and lodging at the city jail, and has been ordered to leave town.

When Toner was taken into custody he apparently was in a demented condition, wandering about and not seeming able to talk coherently. During his wanderings in jail, the man uttered the name of James O'Connor, and of the Chicago State Hospital. Chief Northrop wired the hospital and received a reply stating that he would send an attendant after the man. After that he received instructions to write to the man's sister, living in Chicago. The sister answered the chief's letter asking the reason for his being imprisoned.

While this correspondence was progressing, Toner's condition seemed to be improving. When told that his sister was to send for him, he apparently became worse. Other inmates of the jail confided to the chief that they did not believe he was crazy, but was pretending.

This was proven to be the case when Mr. Northrop obtained what was practically a confession from him.

Howard Glenn Meiser of 1665 Morton av., aged 39 years, who served two years in France as a member of the engineer corps, and who was before and since that time a New York Central engineer, died at 1:35 o'clock Sunday morning, of heart disease. Last winter he became afflicted with pneumonia, and since that time has suffered with heart disease. Eight weeks ago he became bedfast.

The burial will be held at McMinville, Tenn. Mr. Meiser's former home, Mrs. Meiser, Mr. Meiser's mother, Mrs. Rebecca Meiser, a brother, George, and his wife and two children will accompany the body.

Mr. Meiser, a son of Mr. and Mrs. Henry Meiser, was born in McMinville on March 19, 1922. He came to Elkhart eight years ago and entered the service of the New York Central railroad. He married Miss Roberta Watkins on Feb. 16, 1922.

Mr. Meiser is survived, not only by the people mentioned as accompanying the body, but also by a brother, John Meiser of Pawhuska, Okla., and four sisters, Mrs. H. T. Boles of Nashville, Tenn., Mrs. G. W. Hinkley and Mrs. Brown Oliver of McMinville, and Mrs. George Byars of Fresno, Calif.

Stuck, of this city, next Saturday in St. John's church at Goshen, at a six o'clock dinner last evening. Besides the guests of honor, the bridal attendants were also in the party, Miss Genevieve Collins, of Goshen, and Ernest Johnson, of this city. Miss Murphy's sister, Mrs. John Sheridan, Mr. Sheridan and her uncle and aunt, Mr. and Mrs. Joseph Collins, of Goshen, and her father, Richard Murphy, of Goshen, were present.

'BLUE SUNDAY' MOVE UNDER WAY

Many Churches to Designate Next Sunday as Day for Entering Politics.

INDIANAPOLIS, Oct. 23.—The drive for "Blue Sundays" and law enforcement in Indiana was fairly under way today.

Many churches throughout the state observed yesterday as law enforcement day and many others will designate next Sunday in the advent of Protestant churches into politics.

"Let us pray that we may have a greater vision of God and have hope and faith and not turn over our political affairs to those who would use them merely for self or party but have the faith which brings about a regeneration in political affairs," declared the Rev. Edwin Cunningham to his exclusive flock of Universalists.

Rev. Cunningham's sermon on "some present day discontents—political" was the signal for opening the drive launched by the Indianapolis church federation and the union ministers association of Indianapolis to clean up politics and prevent the degradation of Sunday.

When Roy Tope went to a field at the edge of the swamp to dig potatoes a large hound accompanying him was killed by six wolves.

Cattle, sheep and hogs recently have been attacked by wolves. Families were organizing for a wolf hunt in which several hundred persons will participate.

NEWLYWED IS HELD ON SERIOUS CHARGE

Alfred Linn of Pierceton Is Charged With Paternity and Lodged in Jail.

WARSAW, Ind., Oct. 23.—Alfred Linn, of Pierceton, bridegroom of but a few days, is in the Kosciusko county jail today as a result of charges preferred by Lela Atchison, 17, also of Pierceton, who the accused asserts he hardly knows.

Linn is charged with the paternity of an unborn babe, the existence of which is yet in doubt. He was bound over to the circuit court by Justice J. S. Cain.

"This is all a plot and a frame-up to ruin Linn," declared Attorney Walter Brubaker, addressing the court in his closing argument of the preliminary hearing.

"Nobody can sit here and listen to this testimony without realizing that somebody lied," declared Justice Cain.

"If the witnesses had told the truth it would be less difficult for me to reach a decision in this case," he continued. "As it is I really don't know where I am at or who did lie. Although there is serious doubt as to the charges of this girl, I will hold the accused for trial in the circuit court."

Unable to furnish bond Linn was sent to jail.
